

## REACH declaration Cox Geelen

I hereby confirm that none of the products (and its associated packaging) we manufacture and supply to our customers contain SVHC as listed in the official candidate list published by ECHA. Within REACH Cox Geelen can be indicated as a 'downstream user'.

I further confirm that should the situation change and a substance from the candidate list now or in the future is used in the products (and its associated packaging) that are supplied, Cox Geelen will immediately inform the customer.
